"I was hungry and you gave me food"

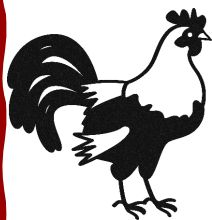

Matthew 25:35

This quote from Jesus' story about the last judgment is a reminder that we render service to God even as we respond to human need. The spirit of generous sharing, and the hunger that exists in many parts of the world comes together in our Meat Canning project.

For the **40th** year, the Mid-Atlantic and SO PA Districts are co-sponsoring a Meat Canning project which previously has enjoyed a generous response and enthusiastic support. The project is scheduled for April 17-20, 24 & 25 (SIX DAYS), at the Christian Aid Ministries facility.

The 2017 Meat Canning goal is to can approximately 50,000 pounds of chicken in six days of processing.

From 2003 through 2016, the two Districts' congregations gave a total of

\$1,040,408.64

toward this project.

Starting funds are relatively stable, but we still need to raise money if we intend to meet our goal. Expenses include the cost of the chicken, use of CAM's facility, labels, boxes, miscellaneous supplies, as well as shipping costs, when applicable. Congregations are encouraged to take offerings during January, February, March and April for this ministry of sharing and to forward these funds to their respective District Office.

VOLUNTEERS NEEDED TO PROVIDE MEALS

The Meat Canning Committee is very grateful to those congregations who will be providing free snacks and a light lunch (for all workers) to be available during each shift. The Mid-Atlantic District will be partnering with some of the SO PA District congregations who are willing to prepare a meal, but are short on funds. Please contact your district office if your congregation is willing to provide a meal or funds.

In order for the committee to provide adequate help for each shift, it is important that you inform your District Office ASAP when you will be available to volunteer.

Shift assignments will be made by the District Offices on a first-come-basis. Once you have pledged volunteers, YOU ARE RESPONSIBLE FOR FINDING REPLACEMENTS if you are unable to fulfill your commitment. No shows create schedule problems and an increase in inspector fees.

A shift of 25 persons is needed to work from 6 a.m. to noon (20 of those persons should be able to process the chicken, while the others are needed for labeling.) A second shift of 17 persons is needed to come in at 9 a.m. and relieve some of the first shift. Canning will continue until approximately 11:00 a.m. with labeling to continue until about 2:30 p.m.

The Meat Canning Project is a great way for us to minister to those in need during these difficult economic times.

As in the past, a portion of the meat from this project will be provided to both Districts to be shared with local food banks and meal programs. The Meat Canning Committee has decided to wait until Spring 2017 to determine who will receive distribution outside the U.S.
