Afternoon Tea at Shepherd's Spring

March 23, 2018 ~ 2 to 4 PM

Originating amongst the wealthy English social classes, Afternoon Tea is a light meal traditionally served in the hours between lunch and dinner. Afternoon tea typically includes a selection of black and herbal teas and savory finger sandwiches in addition to scones and sweets. Today, afternoon tea has become a special occasion rather than a daily affair. Shepherd's Spring is offering a traditional afternoon tea in our spacious dining room, including traditional English favorites, as well as some locally popular treats. Come with friends and beat the winter blues in a beautiful environment.
