## **Spring Work Days at Shepherd's Spring May 12 & May 19**

**What's needed? — chainsaws, chippers, trucks/dump trailer, wheel barrows, tree stump grinder, trench digger, heavy duty rakes, shovels, trimmers, weed whacker, etc.**

Areas to be "spruced up" before Summer Campers arrive may include the following on these Work Days:

- **Tree Row between Lodge and Pool** — remove undergrowth around trees
- **Pool House Grounds** — remove overgrown bushes and rework planting beds
- **Firepit Area** — prepare area for building larger firepit and seating
- **Shop and Surrounding Grounds** — remove excess materials
- **Poplar Village and Global Village** — chop/chip several fallen large trees and overgrowth
- **Poplar Trails** — remove overgrowth along select trails and add chips for foundation
- **The Spring Trail** — remove overgrowth

*Let us know you and a team are coming to the Work Days.*
