Peacefully. Simply. Together.*

MID-ATLANTIC DISTRICT
CHURCH OF THE BRETHREN

January 31, 2023

Greetings, Sisters and Brothers,

The Program and Arrangements Committee is asking for your help in creating the logo for this year's District Conference. Our theme this year is *"We Are All God's Children"* and our scripture is I Corinthians 12: 12-13, 25-27 (New Revised Standard Version).

Our overall design will be a stained-glass window. We are hoping to receive a section design from each of our 58 congregations. If you would like to submit a design from an individual in your congregation, from a Sunday School class, or your congregation's logo, it would be greatly appreciated.

We are requesting that your design be simple lines within square dimensions or a circle. If possible, please submit a pdf or png vector to aamad@brethren.org. We may need to adapt designs submitted in other formats, that are too detailed or that are hand-drawn. Just as a church sanctuary may have multiple stained glass windows, we hope to have multiple versions of the stained glass window logo so that each contribution can be included. Your submission should represent what the theme means to you.

In order to include your congregation's design, we need to receive it by March 1, 2023. We are excited to receive your contribution and hope to see you in-person or virtually at District Conference on October 6 and 7, 2023 at the Manassas Church of the Brethren.

Blessings,

Melvin Cheshire
