

Mid-Atlantic District  
2023 Ministers' Continuing Education Workshop  
with

On Earth Peace  
***'Peacemaking for a Peacemaking People'***

Kingian Nonviolence Conflict Reconciliation training provided a transformational experience. On Earth Peace believes that learning the philosophy of nonviolence and bringing those practices into our lives will provide a pathway toward the Beloved Community.

In our training opportunity, each participant will

- learn of the nonviolence imagination and perspective.
- be introduced to the “will” (principles) and the “skill” (steps) of Kingian Nonviolence
- reflect on specific crises or challenges pastors and congregations are facing
- provide tools and/or skills that can be used to move through conflict creating and understanding of how conflict can be seen and used as a mechanism for change, not something to be avoided
- consider ways to apply the Kingian Nonviolence framework to ministry settings
- be a part of the 1,000 OEP is seeking to train to make a kingdom difference in the world
