2025 Ministers' Continuing Education Workshop

“WHO IS MY NEIGHBOR?”

Audrey Hollenberg-Duffy;
Director, Susquehanna Valley Ministry Center

In the Church of the Brethren Compelling Vision that we adopted several years ago, congregations were encouraged to seek Jesus in the neighborhood through relationship-based community engagement. This vision is certainly compelling, beaconing us beyond the four walls of our church buildings and into the community where the Holy Spirit is already active. However, before our congregations can do this community engagement well, there are important questions to answer: Who is my community? What do they need? What gifts or abilities does my church have? Where is Jesus already at work in the neighborhood? How can we partner with the movement of the Holy Spirit as we share the good news? This event will explain why these questions are theologically important as well as resource pastors with tools to help answer these questions contextually.
